Urgent News

End of Day Traffic Patterns

Remember: On school days, from 3:00–3:30pm, all cars leaving the Zion parking lot should use the 76th Street exit. This helps ensure a safe and efficient parking lot. Thank you for your cooperation!

Key Card Sale

Zion is selling Key Card books for **\$25** this year to benefit the Mountaineer Fund. Key Cards were sent home with the youngest family member (K-12) earlier this year. If each family sells at least one or two, the school will benefit greatly. You may request more cards from Nancy in the office. If your family chooses to opt out of the sale, you are asked to return the items to Nancy as soon as possible. Any unreturned items will be charged to your account. Please call Nancy with any questions.

Long-Term Sub Needed

Zion is seeking a long-term substitute teacher for its high school science classes (physical science, biology, physics, and health). This sub will be needed from December through February. Please share this need and contact Todd Hoekstra if you or someone you know would be a good fit to fill this position.

General News

Please Label Your Clothing

Parents, please write your child's name on his or her coats, snowpants, hats, etc. Last winter many, many articles turned up in lost and found and were never claimed. Please help us avoid that this year!

Equestrian State Competition

Zion senior Izzy Maguffee is a member of the Hopkins High School Equestrian team, which recently advanced to the Michigan Interscholastic Horse Association state finals, which are next week. Congratulations to Izzy and her teammates!

Dordt College Bus Trip

Attention high school students interested in visiting Dordt College. Dordt is hosting a special visit on **November 8-10** AND providing transportation, leaving from Grandville. While visiting Dordt, you'll get to explore campus, meet students and professors, attend chapel, and learn more about the school. The cost is \$75, including travel and lodging. See Mr. Aukeman if you'd like to learn more.

Science Olympiad

It's time for the Elementary Science Olympiad. Last year, many of the 3rd, 4th, and 5th graders participated in a wonderful

scientific morning at Zion. The second annual event will be on Saturday morning, **October 13**. Sign-up sheets were given to the students so that multi-grade teams can be arranged. Parents and grandparents are invited to participate, too, as team leaders or event supervisors. Pray for a great day of exploring God's amazing creation!

Save the Date—AUCTION

If you are willing to volunteer your time in any way, please contact Sarah Vannette at sarahvannette@hotmail.com. **We especially need help with set-up on the Thursday before the auction.** Thank you so much to all those who help make this night a success!
