

Zion Christian School
 Parent's Guild
 March 15, 2016

- A. Welcome and Opening Devotions: Jim Dykstra opened with prayer.
- B. Members Present: Jim and Lori Dykstra, Sue McCrory, Emily Postma, Derek and Jennifer Stumph, Dana Boyd, Melissa Postma, Becky Verduin, Christy Rozema, Jayson and Kari Alsum, Carrie Knol, Jana Kaptein, Al and Arlene Jeurink, Dale Pasma
- C. Treasurers Report: The current balance of unallocated funds is \$12,162.05. Most of the purchases approved in October have been made and reimbursed.
- D. School Report from Sue McCrory: The Science Fair was a great night and next time the high school hopes to be involved. The elementary students ran over 2000 miles during Mileage Club. They will be tithing their pledged income and buying 50 soccer balls through World Vision. Junior Achievement went very well and is wrapping up. All teachers are planning to return next year and enrollment looks strong.

E. Requests

Requested by	Requested Item	Amount	Approval
Library	Books and book binding	800	600 approved
	TV Maintenance Shop	100	Hold
Todd	10 folding tables	900	Hold

Elem.	Reading month	100	Approved
Terra Recycling	Storage area addition	5000	Approved
Elem.	Playground	6000	Approved
Office	Fireproof cabinet	1064	Hold

F. New Business

1. TerraCycle—With approval of spending \$5000 to build a storage area off of commons a committee to head this program was formed: Christy Rozema, Melissa Postma, and Carrie Knol. Pending board approval they will get signed up, prepare collection bags, and set up a volunteer schedule. Everything should be in place in September.
2. Playground—Looking into Climbers to add to the playground, there are various options ranging from \$1200-\$3500.
3. Water Filter System—Installing a filter in current water coolers and adding water bottle filling stations to these coolers would cost about \$840 for each system added. Cleaner water and the filling ability adds to water consumption. Interested in pursuing this when funds become available.

4. Emily Postma's three year term as secretary is coming to an end; volunteers interested in this position should talk to Jim Dykstra.
5. We are planning a summer cleaning with families taking shifts to do deep cleaning throughout the school.
6. New fundraiser ideas: Panera Bread Night, Rock a thon, Krispy Kreme sales, Byron Meat Sale (Ask Thermal king for cooler/freezer on pick up date?), Zion Night at Craig's Cruisers.

G. Closing Prayer: Jim Dykstra closed in prayer
