

Zion Christian School

Yearbook Order Form

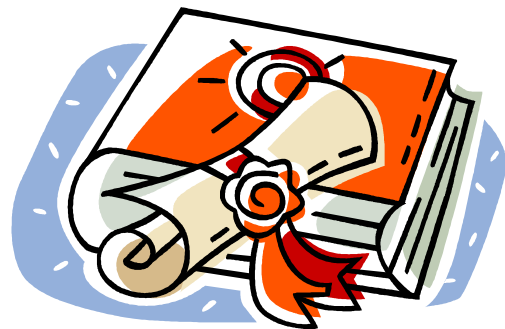

2017-2018

The yearbook staff has been working hard to bring you the 2017/2018 Zion Christian Zephyr, which includes all of Zion Christian School (grades preschool through 12th). We have once again attempted to cover many school events in one place to help you remember this school year. This year's book will feature many of the year's activities including homecoming, banquet, the student mixer, field trips, sports, elementary events, graduations, and much more.

Due to publisher deadline, we are selling the book from late February through early May of this year. Orders must be made by **May 4**. However, our book will be printed over the summer and delivered next fall. This year, all who order will be given an autograph supplement. The supplement will allow students to get friends' autographs this spring and add them to the yearbook in the fall. This feature is especially nice for seniors.

We are offering a special deal for early orders. For those ordering by **March 29** (spring break), yearbooks will cost \$30. If you place your order between March 30 and May 4, the cost of the Zion Zephyr will be \$35. Order today to receive the early sale discount price.

Sincerely,
Yearbook Staff
