

Band Instrument Rental Agreement

Band instruments may be rented from Zion Christian School at a cost of \$60.00 per school year. Flutes, clarinets, alto sax, and trumpet/cornet may be rented as available for first-year players only. Students who wish to continue with this instrument are expected to acquire their own instruments for the second year and beyond (unless they switch to one of the school's larger instruments to help the band).

The school owns a tenor sax, baritone sax, French horn, baritone, and bass clarinet. If the school-owned instrument is the only one a student has, he or she will pay \$60.00. If a student owns a different instrument but is playing one of the school's at the band director's request to help the band achieve a more full sound, then he or she **does not** pay rent/maintenance fee.

The school will pay any routine maintenance bills. The cost of repairs of excessive damage to an instrument due to negligence will be charged to the student/family who is renting/using it.
