Multi-Child Discount

At Zion, we feel it is important that all covenant children have the opportunity to participate in Christian education. In order to minimize the role that finances may play in such a decision, we offer a substantial discount based upon the number of students enrolled in grades K-12. The chart below illustrates this discount. For families with more than five children enrolled, a 22% discount is applied to the tuition of the five oldest children. Additional children attend at no additional cost.

STUDENTS	DISCOUNT
1	0%
2	6%
3	10%
4	15%
5	22%

Mileage Based Discount

Zion offers a tuition discount for all families living more than 15 miles from school. Factors used to determine the discount include total distance from school (using the shortest possible route), how many children are enrolled, and whether a cluster bus stop is offered within 10 miles of the family's home address.

Prepayment Discount

Families paying their entire tuition balance prior to August 15 receive a 1% discount.

*Expected tuition for 2024-2025 pending adoption at the Association meeting in May.
