Parent Volunteer Request 2024-2025

Dear Zion Parents,

We are excited about the upcoming school year and are looking forward to the many wonderful learning experiences that are ahead of us.

Zion Christian School is able to carry out its ministry because so many gladly serve and assist with its many needs. Each year as enrollment is confirmed and families make plans for the upcoming school year, the board and staff seek assistance from the association to staff the many committees and volunteer functions for the upcoming school year. This coming year we need more volunteers than ever before.

Depending on where your interests lie, you may be asked to come to the Zion campus as much as one day per week (as needed) or as infrequently as once per month or less. This will not only give our staff and teachers needed assistance but will also enable you to get to know all the faculty and staff better and allow you to be directly involved in your child's education. We also hope this will strengthen ties within our covenant community by enabling you to better know fellow parents and their children.

We understand that some of you will not be able to assist in this way but might be able to lend assistance in other ways of equal importance. Whatever your situation, please fill out the attached document by checking all areas of interest and return it to the school office. This letter/questionnaire is in no way a binding document; we are simply gathering data to see how many parents are able to help.

Thank you for your prayerful support.

Sincerely,

The Board & Staff of Zion Christian School
