

# Wednesday Lunch Release Form

---

**\*\*For Juniors & Seniors Only\*\***

I give my permission for my son/daughter, \_\_\_\_\_ to leave campus each Wednesday lunch period during the 2024-2025 school year. I acknowledge that Zion Christian School is in no way responsible for anything that may happen to them during that time and that Zion Christian School is not responsible for their safe or timely return to campus. I also acknowledge that it is my son or daughter’s responsibility to be back to class on time and that Zion Christian School may record them as “tardy” should they fail, for any reason, to return on time.

As a student, I understand leaving campus is a privilege and that I cannot leave campus without parental permission and with this form on file in the office. When leaving or returning, I am required to sign myself out and in, another student cannot do this for me. Returning late to class two times in a semester may jeopardize this privilege.

I also understand I must follow Student Driving and Parking guidelines as described on page 25 of the Family Handbook. These guidelines require students to

- Park in the lot on the east of the building on the third and fourth tiers.
- ALWAYS follow a 15-mph speed limit and lower limit when other students or people are present, never driving in a way that is reckless or might damage property or landscaping.
- Make sure music or beat is not audible outside of the car.
- Never be in possession of controlled substances in their vehicle on the property.
